Eagle Creek Park Summer Day Camps

Eagle Creek Park hosts summer day camps at two locations within the park, the Earth Discovery Center (EDC) and the Ornithology Center (OC). Both locations get campers outside and provide a learning experience that can't be matched by traditional camps. Experienced camp counselors and naturalist staff lead campers while exploring trails and streams, fishing, canoeing, and getting up close with our resident wildlife. Campers may get to try their hand at archery or fly through the trees on the GoApe course! Every week we host different age groups with camps designed to get kids excited about learning and experiencing the natural world. *All campers will need a change of clothes and extra pair of shoes each day.*

To register call 317-327-7148 for camps located at the EDC and 317-327-2473 for camps at the OC. Register online at www.indyparks.org and enter the 5 digit course code.
